Getting to InnovOcean site

Please consider the following information in order to allow sufficient time to travel from Oostende to the InnovOcean site to attend the partner meetings.

- **Walking**

The InnovOcean site is approximately 40 minutes by foot from the centre of Oostende.

- **Taxi**

A taxi from Oostende to the InnovOcean site will take around **10 -15 minutes** and cost approximately 10 - 12 euro.

- **Tram**

If taking the tram from Oostende please allow **at least 40 minutes** for travel time from the centre of Oostende to reach the InnovOcean site. The trams run approximately every 20 minutes. Take the tram travelling in the direction Knokke and get off at the first stop after Oostende station, 'Weg naar Vismijn.' The InnovOcean site is approximately a 10 minute walk from this tram stop. A ticket can be purchased from the tram driver (3 euro) but it is best to have small change on hand. or by mobile phone (only Belgian numbers) by texting 'DL' to 4884. "Lijn" cards can also be purchased (10 trips, 14 euros) at certain sale [points](#). Please see map below.

- **Ferry Boat**

If using the ferry boat **please be advised that the ferry has a limited capacity (50 persons max) and consider taking the ferry sufficiently early to ensure your arrival at the InnovOcean site in time for the beginning of the meetings.** The ferry departs approximately every 15 minutes from Oostende harbour western shore, with the first sailing departing at 07h45m. The crossing takes approximately 6 minutes. The ferry will not operate in fog or high winds. Please see map below.
